

High Performance Healthy Schools Sponsorship Benefits

USGBC-Georgia welcomes your company's sponsorship for the fourth annual Green Apple Day of Service. Each generous contribution will support Day of Service supplies, program development/promotion, and mini-grants for service projects across the state on September 26, 2015. Sponsors may choose to support the full program and receive the benefits outlined below, or support a school directly with cash or in-kind donations.

Sponsorship Level and Benefit	Gala \$5,000	Gold \$2,000	Silver \$1,000	Bronze \$500	Green \$250
Verbal podium recognition at the start of the GA Green Apple Day of Service events and at the beginning of the Youth Summit (site specific).	Yes	Yes	Yes	No	No

Your company's logo/text and sponsorship level on event display signage	Logo	Logo	Text	Text	Text
Remarks at HPHS Recognition event	Yes	No	No	No	No

The High Performance Healthy Schools (HPHS) Recognition Day event brings together school representatives, teachers, administrators, legislators, and students from across the state. The event is designed to recognize those schools and districts that have participated in the Chapter's High Performance Healthy Schools programs throughout the year. These schools and districts are the focus of our mission to transform all Georgia schools into sustainable and healthy places learn, work, and play. In 2014, we had over 180 participants recognizing 70 schools in Georgia.

If your company is interested in becoming a Georgia Green Apple Day of Service Sponsor or an HPHS Recognition Day Sponsor, please make a donation through our [USGBC-GA website](#) (note your donation is for schools in the comment section) or contact the chapter office.
